Sunday Hope Kids Volunteer Team – Rebekah Clark – Rebekah@placeofhope.org

***What does your team do/how are you serving Hope Church Dallas?**

The Hope Kids Volunteer team consists of volunteers who serve on Sunday mornings to lead, teach and assist with our Hope Kids service for ages Pre-K-5th grades and 6th-8th grades. The Hope Kids service functions in a large group/small group model. Our awesome families arrive, check in their kids, and all ages spend the arrival period together with teachers and assistants in the large group room. During this time, our kids participate in arrival activities geared to meet social/emotional/physical activity needs while also setting the stage for our lesson for the day. Large group time follows, and kids engage in praise and worship time as well as active learning of our Bible lesson and memory verse. Kids are then dismissed to classrooms broken down by age groups for age-appropriate reinforcement of the lesson through games and crafts. Children are picked up at the end of service from their classrooms by parents.

Our volunteers help greet kids, interact with kids, ensure safety of the environment, dance/sing, facilitate games and spend time representing the love of Christ to each child while reinforcing the lesson topic and delving into meaningful conversations about the Bible and its application.

***When does your team meet?**

This team currently does not meet outside of the time served as a volunteer on Sunday morning.
